ELECTRONIC FUNDS TRANSFER AGREEMENT AND DISCLOSURE

This Electronic Funds Transfer Agreement is the contract which covers your and our rights and responsibilities concerning the electronic funds transfer ("EFT") services offered to you by Southwest Louisiana Credit Union ("Credit Union"). In this Agreement, the words "you" and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more share and share draft accounts you have with the Credit Union. Electronic funds transfers are electronically initiated transfers of money from your account through the electronic funds transfer services described below. By signing an application or account card for EFT services, signing your Card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered.

If you initiate a transaction that overdraws your Account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your Card and PIN (Personal Identification Number) in automated teller machines of the Credit Union, Pulse networks, and such other machines or facilities as the Credit Union may designate. CU@Home service will be available for your convenience twenty-four (24) hours per day. We take our obligation to protect our members seriously. To make your online banking experience as secure as possible against "Phishing" attempts by fraudsters. Our online banking, CU@Home, uses a security system call Multi-Factor Authentication (MFA). Phishing, (pronounced "fishing") is the act of sending an email to a user falsely claiming to be a legitimate enterprise in an effort to scam the user into surrendering private information. MFA is a new security system that adds an extra layer of protection to our online banking, CU@Home. This new security feature will allow you to receive a personal image and phrase, which will become a shared secret between you and the credit union, so you can be confident that you are on the credit union's home banking site and that it is safe to enter your password.

- There is no limit on the number of inquiries, transfers or withdrawal requests you may make in one day.
- See Section 2 for transfer limitations that may apply to these transactions.

You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

If you pay for purchases or bills with a check or share draft you may authorize your check or share draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic funds transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

2. TRANSFER LIMITATIONS - For all share accounts, no more than six (6) preauthorized, automatic, or telephone transfers and withdrawals may be made from these accounts to another account of yours or to a third party in any month, and no more than three (3) of these six (6) may be made by check, draft, or access card to a third party. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES -

a. Ownership of Cards. Any Card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. The Card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your Card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transaction. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives or the government-mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

d. Security of Access Code. You may use one or more access codes with your electronic funds transfers. The access codes issued to you are for your security purposes. Any codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the Card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and hereby is authorized by every other joint account owner to, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES - There are certain fees and charges for electronic funds transfer services. From time to time, the charges may be changed. We will notify you as required by applicable law.

If you use an ATM not operated by us, you may be charged a fee by the ATM operator and by any national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer). The ATM surcharge will be debited from your account if you elect to complete the transaction or continue with the balance inquiry.

5. MEMBER LIABILITY - You are responsible for all EFT transactions you authorize. If you permit someone else to use an EFT service, your Card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

Tell us AT ONCE if you believe your card has been lost or stolen or if you believe someone has used your Card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If a transaction was made with your Card or Card number without your permission, and was either a VISA or Interlink transaction, you will have no liability for the transaction, unless you were grossly negligent in the handling of your account or card. For all other EFT transactions, including ATM transactions or if you were grossly negligent in the handling of your account or card, your liability for an unauthorized transaction is determined as follows.

If you tell us within two (2) business days you can lose no more than \$50 if someone used your Card without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Card, and we can prove we could have stopped someone from using your Card without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, code or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe your Card has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call:

6. RIGHT TO RECEIVE DOCUMENTATION -

a. Periodic Statements. Transfers and withdrawals made through any ATM, POS, Debit Card transactions, audio response transactions or preauthorized EFTs will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or POS terminal.

c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every sixty (60) days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling (337) 477-9190. This does not apply to transactions occurring outside the United States.

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;

However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy, or if the transaction involves a loan request exceeding your credit limit.
- If you used your Card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.

For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the Credit Union.

10. NOTICES - All notices from us will be effective when we have mailed them or delivered them to your last known address in the Credit Union's records. Notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change. Use of this service is subject to existing regulations governing the Credit Union account and any future changes to those regulations.
