- SWLACU Audio Response
- Telephone requests by phone with a Credit Union employee
- NSF Overdraft Protection (transfer to cover overdrawn checking acct.)

What Transactions Do Not Count?

- ATM withdrawals
- Transactions face-to-face at the Credit Union

How can you avoid restrictions?

- Do not allow electronic payments FROM your savings accounts. Instead set up the withdrawals from your checking account which has unlimited ACH withdrawals.
- Send your direct deposit to your checking account, rather than your savings. The number of transfers from checking accounts TO savings accounts is not restricted.
- Balance your checking account periodically to limit the number of NSF transfers FROM your savings account.
